Norfolk Island Air Services

Dear Madam Mayor,

Reference is made to our discussion held today regarding air services of both freight and passenger to/from Norfolk Island.

During that meeting you mentioned the possibility of arranging a round table conference of representatives from airlines, tourism industry, Norfolk Island Regional Council and the Commonwealth government and the hope is that this meeting will be held as soon as possible.

At the meeting, and on behalf of the Chamber, I requested that a Norfolk Island Chamber of Commerce representative also be included in the forum. Therefore it would be appreciated confirmation of the meeting and the Chamber's involvement be provided by return email.

Yours sincerely

Norfolk Island Chamber of Commerce Committee
