NORFOLK ISLAND
Regional Council

MEDIA RELEASE

19 November 2026

TEMPORARY HOLD ON CAR DROP-OFFS AT WASTE MANAGEMENT CENTRE

Norfolk Island Regional Council (Council) advises the community that car drop-offs at the Waste Management Centre are temporarily on hold until 31 January 2027.

The steel disposal area is currently at capacity, and when wet the muddy conditions make it difficult for staff to safely manage the site.

The temporary pause will allow Council staff to clear, sort and reorganise the existing materials to improve site conditions and ensure the area remains safe and accessible.

Council plans to install a concrete slab in the area which will support improved site operations in the future. This pause will also allow sufficient time for the concrete to cure.

Vehicle disposal will be temporarily unavailable from 23 November to 31 January 2027. For genuinely urgent car drop-off requests, please contact Ash on 57155 or email ashutosh.narayan@nirc.gov.nf to discuss available options.

Council thanks the community for their patience and cooperation while these works are undertaken.
